

SYSTEMS LEADERSHIP: systems building

BUDGET AND FINANCE FOR NON-FINANCIAL MANAGERS

It is vital for leaders to understand financial terms and concepts, as well as be able to implement a comprehensive system to budget efficiently and effectively. Budget and Finance for Non-Financial Managers equips managers to effectively manage their budgets and understand financial management basics.

Objectives:

By the end of this workshop, participants will be able to:

- Examine the role of budgeting and fiscal management in government
- Define key financial terms and concepts
- Identify the key function of the budget cycle
- Provide a better understanding of how various segments of society influence local governmental budgets
- Overcome the negative perceptions of the budgeting process
