

Defensive Driving

Objectives:

The purpose of this workshop is:

- To reduce the risk of death and serious injuries within your workforce
- To protect your organization's resources, both human and financial
- To guard against potential city and personal liabilities associated with crashes involving employees driving on city business

Summary

Defensive Driving instructs participants in driving safely, through improved attitude regarding safety, behavioral training, and increased skill set. Because of the increased need for awareness and practice of safe driving skills, it is imperative to learn specific techniques and skills to limit loss of life, injury, and liability.

The course includes legal information, statistics, and safe driving techniques.
