

Drug and Alcohol Abuse Awareness for Employees

Objectives:

By the end of this workshop, participants will be able to:

- List and explain the different components of the Drug-Free Workplace Policy
- Identify their role in implementing the Drug-Free Workplace Policy
- Recognize potential drug and alcohol abuse through observation of specific, objective behavior
- Identify the progressions of the diseases of alcohol and drug addiction

Summary

Drug and Alcohol Abuse Awareness familiarizes municipal context employees with all aspects of a drug-free workplace program. Now, more than ever, it is important to know what should be done in crisis situations, as well as ongoing problem situations.

The course teaches participants techniques to constructively confront a potential drug or alcohol abuse problem, guidelines to avoid liability, and includes guided group discussions about specific, common “what would you do” scenarios.
