

## Presentations with an Impact

### Objectives:

By the end of this workshop, participants will be able to:

- Conduct an audience analysis
- Manage presentation stress
- Deliver a successful presentation
- Manage difficult questions and situations
- Develop effective PowerPoints and handouts

## Summary

Presentations with an Impact instructs participants in creating impressive presentations, from writing the speech, to effective handouts and PowerPoints, to mastering the difficult question and answer session.

The course includes step-by-step instructions on presentation preparation, the ABC's of handling nervous energy, and methods to improve your writing, inflection, and storytelling. In addition, Presentations with an Impact includes techniques for decoding nonverbal communication and ending the presentation with a bang!
