

## **ASSISTANT PUBLIC WORKS DIRECTOR** CITY OF BRIGHTON COLORADO

**The City of Brighton, Colorado,  
invites applications for the position of  
ASSISTANT PUBLIC WORKS DIRECTOR**

### **ABOUT THE POSITION**

The Assistant Public Works Director is an advanced professional position that directs, oversees, supervises, and coordinates the activities of employees of the Infrastructure Department Public Works Division, including public works engineering, transportation and planning, streets, traffic and transportation system infrastructure planning, operations and maintenance, construction management, and inspection services and fleet maintenance operations. The position is also responsible for technical work planning, prioritizing, and implementing the Public Works Infrastructure Capital Improvement program in the Infrastructure Department. The Assistant Director reviews project plans related to development proposals, roadway, traffic, and right-of-way improvements; conducts long-term planning activities; oversees contract projects to ensure adherence with standards and specifications; coordinates with other City departments; and represents the City in various public venues and local and regional professional public works work groups, including local and regional governmental transportation planning organizations. Work is performed with appreciable latitude for independent judgment and action that is reviewed by the Director of Infrastructure through observation, conferences, reports, and achievement of desired objectives.

This position supports the goals of the Infrastructure Department, which maintains and enhances the safety and well-being of the community by providing exceptional development and maintenance of the City's extensive network of public works infrastructure. The department continuously strives to meet the needs of the community by constantly focusing on customer service, efficient and effective utilization of resources, safety, innovation, and teamwork.

# BRIGHTON, COLORADO: ASSISTANT PUBLIC WORKS DIRECTOR

The Assistant Public Works Director must work well independently and in group settings, with peers, and with the public, while providing excellent, respectful customer service and human relations skills that support the City of Brighton's mission and values. **The City offers a competitive salary with negotiable relocation assistance.**

## EDUCATION AND EXPERIENCE

The selected candidate should hold a bachelor's degree from an accredited college or university with major coursework in civil engineering or a related field. Seven to ten years of progressively responsible experience in the management of public works infrastructure, including but not limited to design, construction and maintenance of roadways, right-of-way improvements, traffic operations, transportation system planning, fleet maintenance operations, and construction management, is required. The chosen candidate must be registered with the Colorado State Board of Professional Engineers and Land Surveyors as a professional engineer (P.E.), or have the ability to become registered within 6 months of hire. The candidate must have a valid driver's license with a safe driving record and must have the ability to complete FEMA ICS 100 and IS 700 training within six months of hire.

A master's degree in civil or environmental engineering or a related field; three to five years of supervision of professional level engineers, technical, and maintenance staff; and three to five years of municipal utility infrastructure capital improvement project experience are preferred qualifications. Bilingual Spanish/English preferred.
